Location : East Delhi
Population: 4320
Sex : Male - 1250, Female - 1720, Children – 1350

This area lacks in basic amenities such as public toilet, road drainage system, drinking water problem etc. The people are illiterate and living in slum and most of them are homeless. They have no sensitisation toward their own problem. Infect food and shelter is primary for them whereas health becomes the secondary issue. One can also observe the case of drug abuse in the area. Overall scenario is an urgent need of attention towards health and education to develop the area.

(b) **Mansarover Park community** is situated opposite to Mansarover Garden Metro Station for the last 6 years. It consists of around 500 families of tribal people.

This community has around 1300 children. Most of them are beggars, rag-pickers and illiterate. They do not have basic amenities like electricity and education facilities.

(c) **Kheda Gauo Mansarover Park-** this is slum area and location name is **Kheda Gauo**. There is 400 to 500 Jhuggi. Male members of this Jhuggi are labor in the factories, rickshaw pullers etc. Most of the people staying in the community are illiterate. Most common issues are health, hygiene, education, awareness about the fundamental right and Govt. scheme etc.

(d) Rakshaks Foundation is working to provide underprivileged people of their basic rights, education and to make awareness about government schemes. We have also collaborated with few organizations and with their help we are organizing daily awareness camps, events and helping the community to connect with Government Schemes.
